

A MESSENGER.....

What is Christmas? For starters, there is no such word in Holy Scripture. What is mentioned is the birth of a child, a very special child to his Father as all children are to their father. Now what made this child special is his person, his origin and his purpose. Who was He? He was the very thought that his Father had, He was the very word that His Father spoke and He became the very flesh that His Father desired.

His Father is the Creator of Heaven and Earth and everything in it (called God by people in general) and His Son is Jesus (Yeshua), meaning God is Salvation. He was so named because He would save His Creation (humanity) from their mistaken identity and the actions that proceed from this false self identification.

Let us then state simply, why this time of year is so special for on this day, not date, but day (that day could be anywhere between September and December), **THE SAVIOR OF THE WORLD WAS BORN**. Born in human form to identify with human suffering yet always confirming and conforming to the pattern of his Spiritual Origin.

He was born for one purpose only, namely: to show us that we are the **CHILDREN OF THE MOST HIGH GOD**. How could He do this?

By nailing the poisonous fruit of our imaginations which separate us from the power Of the Spirit source within us, limiting us to alternatives and eventually death.

Simply speaking, He was born to take our death and give us His abundant life. So this is **CHRIST (THE ANOINTED, CHOSEN FOR A PURPOSE) BIRTHDAY**.

Even though, we all get a warm and fuzzy feeling and a so-called “Christmas spirit”, during this season,

We decorate trees ,We put up lights, We buy gifts and have parties, We eat, drink and make merry,

Even though all this seems good and right and the giving of gifts makes everyone feel better, **THIS IS NOT WHAT ITS ABOUT**.

People are still suffering, hurting, in bondage to all sorts of emotions, illnesses, sorrows and finally death.

Which one of us would not gladly say that death is no more, if he could see that as a reality in his/her life. Then pay attention to the words of the one and only, who was dead and is alive, the one and only, who has conquered death and death has no power over Him:

I AM THE RESURRECTION AND THE LIFE; HE WHO BELIEVES IN (WHO I AM) WILL LIVE EVEN IF HE DIES, AND EVERYONE WHO LIVES AND BELIEVES IN ME WILL NEVER DIE. DO YOU BELIEVE THIS?
