

A MESSENGER.....

We find ourselves at a loss for the appropriate words to describe how tremendous and awesome, how magnificent and beautiful, how wondrous and overwhelming, how majestic and mind blowing this event called "Christmas" was and is, that it changed the history of the world and continues to change the lives of people, transforming them from the ordinary to the extraordinary, making them perform miraculous and astonishing feats that would have seemed impossible until the light of Christ shined in their dark hearts. And as they behold the face of God, they are changed in that there seems to be a supernatural aura, a bright glow upon their faces, a steadfast look in their eyes, a purposeful stride in their walk and they begin to lay down the things of this world and lay hold of the affairs of the Kingdom of God.

Can we, with confidence say that the ends of the ages is upon them? Yes we can, for truly for such, it is the end of the old and the beginning of a new. However to understand this more clearly, to appreciate the depth of the chasm that was filled by the poured out blood on the cross, to re-value the preciousness of that which was sacrificed, to raise and resurrect the man (Adam) from the earthy (body) grave that he was bound and restricted to, we must go back, all the way back to the beginning, even before the fall. And then as we walk carefully, circumspectly inspecting the annals of spiritual history, truly understanding the purpose behind the creation, fall and re-valuing (redeemed) of this creature called man, shall we appreciate the love of our Heavenly Father, who was reconciling man unto Himself in Christ Jesus, and has given Him a name (nature), power and authority like none other.

In the day that the Lord God created man, man was perfect, but nothing can be perfect if it is not whole, incomplete it will be. For perfection does not mean without flaw, but only that the flaw is so harmoniously joint, so at one with, that it is perfect. So also was man, for in himself, he was complete and sealed up the sum, full of wisdom and perfect in beauty. He was in a perfect relationship which was (delightful to God and man) the Garden of Eden. His creator had bestowed him with a nature that can only be represented by the attributes of precious stones and his ministry was to produce a sound, a vibration, a music that would fill all creation with notes of peace, harmony and life. He was anointed, chosen, separated and appointed for a certain purpose and it was God who had set him so.

This man filled the heavens, but God desired that he fill the heavens and the earth. God desired a new creation, "let us MAKE man in our image, after our likeness". God HAD CREATED man in His image, now He would MAKE MAN in His image. And so man is lowered from the place of oneness (echad) to a place of duality and the soul which is one with man and in man, is given an identity of its own and this identity is called Eve (mother of all living thoughts). The life that Eve had, which was her food in the spirit (Adam) is now severed from her (midst). And now to keep herself alive (pride of life), as she is deceived for she thinks that her food is knowledge. she eats from the tree of knowledge of good and evil and dies to the dimension of the relationship she had with God in Adam. She dies but is not beyond redemption, not beyond being saved. But the only one who can save her is her spirit (Adam) and so Adam, who is not deceived, lays down his life so that one day he can take it back again. Eve will be saved in child

bearing. The lamb has been slain in that Adam sacrificed himself for Eve.
