

## A MESSENGER.....

What is Christmas? The “WORD became flesh”. God through His desire to make a NEW CREATION sent forth His WORD as man. One will ask, why? Why does God have to become man? Is God not God? Is anything impossible for Him?

The answer. Of course not. But if God is God and nothing is impossible for Him, then why can't He do what He desires? And His desire was to make a new creation and the new creation is not man as we are, but as the pattern which was established in the heavens. And the pattern is JESUS CHRIST the Son of God as that who proceeds out of God and is God. Scripture testifies that this man JESUS is the express image of God and the brightness (out raying) of God.

Why become a man? Simply put, so that He as man can lead man out of darkness into the marvelous kingdom of light or out of the bondage of our limited faith into the unlimited treasure of Godlike faith. Because God's children are human beings—made of flesh and blood—Jesus also became flesh and blood by being born in human form. For only as a human being could he die, and only by dying could he break the power of the Devil, who had the power of death. Only in this way could he deliver those who have lived all their lives as slaves to the fear of dying. Therefore, it was necessary for Jesus to be in every respect like us, his brothers and sisters, so that he could be our merciful and faithful High Priest before God. He then could offer a sacrifice that would take away the sins of the people. Since he himself has gone through suffering and temptation, he is able to help us when we are being tempted.

The new creation man does not know death, for death has nor more hold over him. He is freed from death. The new creation man is not flesh and blood for flesh and blood cannot inherit the Kingdom of God. The new creation man is a fused man. Fused into flesh and Spirit, possessing a spiritual body. The new creation man is capable of having dominion in the heavens and the earth. The new creation man is the fullness of God dwelling and manifesting, expressing and fulfilling his plan in and through this new creation. The new creation man is raised and resurrected.

Ah, how can this be, one says? This is impossible. Just remember, nothing is impossible for God. Tell me more, one says.....

Yes, there is a lot more to tell, a lot more to learn, but all in its due time. After all, one must savor the taste and aroma of this spiritual feast and when one has digested and assimilated this delicacy, and then one can proceed to the next delightful dish.
