

## A MESSENGER.....

What is Christmas? We, who have conceived this child, Emmanuel (God with us), do testify (be a witness) of His majesty. As we look upon Him, we present Him to all men, saying “behold, the lamb of God who is taking away the SIN of the world. **TAKING AWAY THE SIN OF THE WORLD.**

It was God that separated Eve the soul (the mother of all living thoughts) from Adam the spirit. It was God that caused Adam to fall into a deep sleep (a sleep from which he is still waking up) and it was God that made the dual nature within mankind. All that God did was good (for His purpose to fulfill). And God placed this man, Adam and Eve (spirit and soul) in the Garden of Eden (relationship of delight) toward the east (place of meeting). And God walked with mankind in that relationship, in the spirit of that DAY. And man (spirit and soul) was naked (subtle) and was not ashamed (did not know it). But the dual nature of man, one that makes him double minded and unstable in all his ways, that serpentine mind, which is most subtle and crooked in its path, presents itself in man as the “I” (ego) and creates within his soul (Eve) the desire to know (eat from the tree of knowledge of good and evil). It is this mind that exalts itself in man and pretends to be god. It is this mind to which the soul (Eve) finds itself attracted to and deceived by.

Adam (the spirit) was not deceived, but also ate of the fruit of the tree of knowledge of good and evil. Why? The answer: to save the soul (Eve). Adam (the spirit) was the lamb (nature) that was slain from the foundation of the world. And the soul (Eve) will be saved in child bearing (the lamb of God who takes away the sin of the world)

## THE FIRST MAN (ADAM, the Son of God).....

A child is born in this world, but before he is born, he is conceived by the mother and at his conception he receives the breath of life from God and his genetics from his parents.

He then goes through a period of time and transformation in which he is formed into an infant ready in the fullness of time to be delivered or brought forth from his mothers womb. At this time, this child has no knowledge of GOOD and EVIL. All he knows is the spirit realm from which he has come and in which he walked with God in the spirit of the DAY. He had no choice in his coming forth into this dimension, which we come into. This physical and natural world which is controlled by certain physical and natural laws.

This child is then nurtured and natured by the same laws and his five senses. He has no choice between spirit and flesh, for to survive, he must obey his flesh. So he grows up learning the flesh. This is the carnal mind (the same mind is set upon the things of the flesh). This child died to the dimension of spirit and became alive to the dimension of the flesh. And God said, “the day that you eat from the tree of knowledge of good and evil, you shall surely die”.

We invite you to learn more, come let us reason together. To be continued.....
