Part 5---Woman and the New Thing

"For the Lord hath created a new thing in the earth, a woman shall compass a man." Jer. 31:22

If you will carefully read the whole of the chapter from which the above verse is quoted, you will see that its real fulfillment is about to take place. It is true that parts of it have been partially fulfilled, but the wholeness of it is yet to soon take place. Therefore, this promise about a woman compassing a man is likewise about to be fulfilled.

The subject of this sentence is not the new thing but rather the LORD, for He is the source or cause of it. His Name in this case is not LORD as given in the King James Version, but it is the Hebrew YAHWEH, or the I AM!! He is the self existent one who reveals Himself. He is the everpresent one who inhabits the eternal present but who delights to make Himself known to those whose hearts are perfect toward Him. This new thing of which we are going to write cannot be instigated by any human, nor can it be defeated by any opposing force, for it is the Yahweh Himself who shall accomplish it---who even now is accomplishing it. Thus we are to keep our eyes upon Him only, for He alone it is who can bring to pass what He has written. It reminds me of the scripture, "....who hath with His hands fulfilled that which He spake with His mouth...." II Chron. 6:4. Too often we are tempted to try and fulfill what God has revealed but it will not work. The Lord Himself only can bring to pass at the right time that which has been promised.

Will you note the word CREATED, for it is exactly the same word as is used in the early part of Genesis regarding the creation of the earth and all that pertained unto it. It is as Paul wrote in Heb. 11:3, "Through faith we understand that the worlds (ages) were framed by the word of God, so that things which are seen were not made of things which do appear." God did not make the earth and all in it out of nothing, but rather He made it out of things which were not seen or not visible. All was made out of invisible energy by the spoken word of the Most High. It well could be that all was made out of atoms and their component

parts, unseen energy indeed, and by the Word of God brought into visibility. Therefore, this NEW THING which God creates is not visible to the eye of man nor understood by any human, yet it shall be brought forth or created through the revealed word and will of God at the precise time which He has ordained. Only when He brings it into visibility will people recognize and know it is the hand of God which has done it. Those who have caught the vision of it bear this vision through the tears and toil of preparation to the exact time which He has planned, but those involved init cannot force its fulfillment but can only wait in patience and faith.

The understanding of the meaning of A NEW THING is most important, for a new thing does not mean simply a new something. Rather it comes from the Hebrew word DABAR which is a primary root meaning TO ARRANGE. Thus what God is creating is a new arrangement, something far different than anything known heretofore. But beyond this,it has the specific meaning to ARRANGE WORDS, to speak or to put forth in proper order thoughts made audible. It also means to ANSWER, to APPOINT, to PROMISE, to PRONOUNCE. It is even translated as ORACLE, PURPOSE, SIGN, SONG, THOUGHT,TIDINGS, WORD, WORK. Thus the meaning of DABAR is quite broad, but the whole basis of meaning is ARRANGEMENT----arrangement of words, arrangement of purpose, oracular arrangement, etc.So this new thing shall be properly arranged and given forth in an orderly manner in the purpose of God thus revealing a true oracle.

Having understood the meaning of some important words in the above verse, we now proceed as to what this new thing is---A WOMAN SHALL COMPASS A MAN!!!! Will you take note that the woman precedes the man in this case. In the beginning, the man encompassed the woman, and she was taken out of him, but the process is now reversed, and this time the man is brought forth out of the woman. Eve was brought forth full grown and presented to Adam, but in the changing over of the ages it is just the opposite. The woman brings forth a full grown man, the sons of God.

Not too many of the apprehended sons of God have recognized the place and position of the daughters of God, and that is not too strange in view of the fact that the sons are yet in the womb and do not as yet see clearly what is bringing them to birth. What unborn babe sees with clear vision? True, the unborn ones have life. True, they are being brought forth by the decree of God. True, they

shall accomplish that which the Father ordains. But it must not be denied that God has prepared the daughters and led them through much pressure and travail in the process. And, in their state of being heavy with child and facing the last throes of travail they shall be that NEW THING which God has created. It has never been seen before. It has never been experienced before. No one has ever gone this way before... Yet the company of the daughters of God are a great and integral part of God's purpose. They in their place in the plan of God have become a NEW ARRANGEMENT of flowing words--of oracular utterance--of revelation. Many have wondered as to why so much is being produced by women in these days, but this is a part of the fulfillment of God's new thing. Yet how many have disparaged women, have told them to take the low place, have silenced them, have made them secondrate citizens. Does it not remind you of "In measure when it shooteth forth, thou wilt debate with it?" Isa. 27:8. It is to be expected that many will debate the coming forth of the daughters, but God shall vindicate His own plan and purpose through them.

In Rev. 12 we are told that the woman there is a WONDER, and believe me, it is so. Some only wonder about her, but others wonder and accept. Many interpretations have been given as to who or what this woman is. Some have said it is the church, and perhaps that has some validity IF the true meaning of CHURCH is really understood. Others have declared this woman is ISRAEL, and that, too, has validity if we qualify the meaning of Israel. But beyond these interpretations and other interpretations, there is a deeper meaning, and that is what is so wonderful about the scriptures. Every depth of meaning leads to a still deeper understanding until as time proceeds, we finally come to the crystaline core of the matter. May I propound the thought that this woman is the daughters of God? Again I will remind you that Adam is referred to as a son of God, and being such, then Eve had to be a daughter of God in which case a son and a daughter of God were brought together in a perfect union---- two becoming one. This begins to clarify what is meant in S. of S. where it refers to the bride as "My sister, my spouse." In these marvelous days of fulfillment, it is the daughters of God who shall bring forth the sons of God. Thus there cannot be a manifestation of the sons of God until the manifestation of the daughters of God. So much has been declared about sonship, but few have seen that it takes daughterhood to produce sonship. Thus the daughter becomes truly

a mother, too, and then can be fulfilled the scripture---- "So shall thy sons marry thee."

As we stated before, the woman in Rev. 12 is called a WONDER, and inview of this, I would speak particularly to the daughters of God: You have been a wonder unto yourself, and you have wondered what is happening to you and in your lives. You have wondered about God's new dealings, even strange dealings with you. You have questioned Him about it wondering what is happening in your spiritual experience. Be admonished to hold fast, and be patient, for that holy thing that is conceived in you is nothing less than the sons of God. While you pass through your time of gestation, God is working a great work in you until you shall at last stand clothed with the sun, with the moon under your feet, and with a crown of stars upon your head. This is your position and condition BEFORE the manchild, or sons of God, are brought forth. Though it is not possible in this article to take up the details of Rev. 12, we shall take it up bit by bit in future issues of The Sun Series. So be encouraged in God that you yourselves--even the women of God--are that NEW THING which He Himself is CREATING, even a full grown woman with the ability to produce the "seed of the woman" that shall bruise the serpent's head. This was initially fulfilled in our Saviour out of Mary, but the larger fulfillment is soon to be manifested, O sun-clothed woman, O daughters of God!

N.C.N.

A brand new thing is coming forth,
In east and west and south and north,
A woman rises to her feet,
And cometh forth in life complete,
The daughters of the Most High One
Are clothed in light, are garbed in sun,
And through travail where she hath trod,
She manifests the sons of God!
