

CHRIST THE ANTIDOTE CONCERNING DEATH

Part 37.

Walking With God!

"And Enoch walked with God: and he was not; for God took him."

Gen 5:24.

And Enoch **walked** with God, & he was not for God took him. I want us all to notice the word *walked*, we do not read the word trot, run, gallop or crept. The word is WALKED. I am told that one of the greatest of all exercises is walking. Some specialists claim that there is nothing greater for the well-being of the body. Enoch one of the early greats accomplished in one lifetime more than nearly all other men in the O.T. What was his secret? A constant walk with God. In the 22nd verse we are also given the word *walked*. I feel that this is so significant, it is not in the big splash that we make our mark with *God & men* but in the constant staying close & never ending **walk** with the perfect one who is within us. Interestingly Enoch begat a son Methuselah who lived to nine hundred & sixty nine years & evidently died the same year of the flood. We are also told that Enoch was the *seventh from Adam* & also left us with this prophecy.

"Behold, the Lord comes with ten thousands of his saints, 15 To execute judgement upon ALL, and to convince ALL that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him." Jude. 14-15. What a remarkable prophecy, *To execute judgement upon ALL & to convince ALL that are ungodly, & all of their hard speeches which ungodly sinners have spoken against.* When I read this very recently it was like reading it for the first time I was awestruck as I saw the wonderful significance to it. As I come to think of the wonderful grace of God & what this really means, **to convince ALL**, how gloriously wonderful. What a prophecy this is in the understanding of the Most Holy Place illumination. These will not be judged by force, but will have their spirit & minds opened as to the truth of who they have spoken against, at the moment many of these are ignorant & even feel justified in & of what they are saying, especially when they look at the example of the supposed Church which most times stems from the harlot & her children. The glitter of counterfeit or - *fools* - gold can be both very deceiving & damning. God help us to walk the walk of an Enoch & to accomplish that for which we are called. Enoch was not interested in making the big impression, he was interested in accomplishing that for which he was called, & that was becoming a spiritual giant hidden away from men, when I say a spiritual giant I mean he was realising his true God self which far supersedes any of the lauding-s that this world has to offer.

"By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God." Heb 11:5. This constant walk is what begets faith. One man or woman who will **walk** the constant way with God will accomplish more for themselves here & now & in their *future existence* than any great preacher or expounder in their now lifetime. Enoch was a **future** man, a **translation** man. Saints of God what really matters do we have an eye for the future. I think it far better to be shut up in this lifetime & **please** God with our **walk** & to go on & be a part of the man-child company & accomplish such things as being part of the prophecy in convincing those we have just mentioned in Jude, than to be a part of the *in part* alluring-s of the usual & so called normal. *What wonderful things God has prepared for them that will love Him!!*

In ages gone by many sincere men & women have walked the way that they were shown, yet upon this man Enoch was given this testimony: ***"Enoch walked with God, and was not for God took Him."*** What a wonderful inspiration this is to us saints of God, for be assured that there is an Enoch *class of people* that are alive & going through their - *as it were* - 300 years experience right now. It seems that after the birth

of Methuselah that Enoch walked another 300 years before coming to, *or the realising* of his translation. To Enoch the allurements or magnetism of that heavenly calling far exceeded that of the present earthly or **flesh** experience. *"Know this that the Lord would encourage those of you who have been downcast & disappointed in yourselves, gird up the loins of your mind & realise this that I have called you & surely I will accomplish that desire which I have put within you & as you trust in me I shall surely bring it to pass."* I am sure that in that three hundred years God would have graciously encouraged Enoch many times.

There is nothing very exciting about walking, but the consternation of someone running very quickly down any street will always attract attention, even a trot will turn heads, but the ordinariness of walking seems so unexciting to the flesh, & yet this is what it seems is what God required of Enoch. ***"Enoch walked with God and was not for God took him & he was translated that he might not see death."*** It seems that haste is not to be part of this walk, many times haste can be the result of dissatisfaction or even impatience. But this kind of haste is not in the way of God & we need to realise that the walk that many of us are called into is of a different calibre than the walk of the natural or religious man.

In closing this thought I would like to share a small quote from George Hawtin. :- *"And yet, on we walk strengthened by power divine. When sinew fails and strength is gone, underneath are the everlasting arms. Then we run and feel not weary; we walk but do not faint. Like Elijah we feel the gentle touch of an angel and hear a kindly voice saying, "Eat and drink, for the journey is too great for thee," 1 Kings 19: 5-7. Then on we go for another forty days on the strength of that one meal of angels' food until we arrive at the **Mount of God.**"* -: Unquote.

This Walk That We Are Called To!

This **walk** that we are now traversing is something that was planned in Jesus Christ the WORD ***"Before ever the mountains were brought forth."*** In Hosea 6: 1-3. We read.

"COME AND let us return to the Lord,- to our original Eden ic heritage - for He has torn so that He may heal us; He has stricken - lowered us - so that He may bind us up. 2 After two days - two thousand years - He will revive us (quicken us, give us life); on the third day - partly now - He will raise us up that we may live before Him. - panim, presence or face - 3 Yes, let us know (recognise, be acquainted with, and understand) Him; let us be zealous to know the Lord [to appreciate, give heed to, and cherish Him]. His going forth is prepared and certain as the dawn, and He will come to us as the [heavy] rain, as the latter rain that waters the earth." Hos 6:1-3. Amp. The KJV says "To live in His sight" which means *to live in His presence or face, even as Moses knew God face to face & even greater.*

COME, *right now* let us realise that we can know the full message found in these words that Peter gave us: That we are to fully inherit that **final** salvation that is now being revealed **to you** in this last time. 1Pet 1:5b.

"After two days" [we are now keeping this simple, I am well aware of the deeper implications but for the sake of easier reading I am considering our newer readers] - *after two thousand years AD* - which fits perfectly I am also reminded of the prophecy found in Acts 15: ***"AFTER THIS - two thousand years - I will come back, and will rebuild the house of David, which has fallen; I will rebuild its [very] ruins, and I will set it up again, 17 So that the rest of men may seek the Lord, - this includes those that are mentioned in Jude 14-15, PLUS - and all the Gentiles upon whom My name has been invoked,"*** Acts 15:16-17. This wonderful house, tabernacle or tent of David which originally was the type is now gone & is only a lesson to us now. WE now are in reality the *Tabernacle of God*. This word TABERNACLE is from the word *skēnē* or pronounced 'skay-nay' STRONGS # **G4633** this is a root word from which our word *skin* is derived. So in short the word TABERNACLE really means a covering or skin. Let us also realise that the reality was not the skin or tent, the reality is that which is within the tent or SKIN or SKENE. Exactly the same reasoning & understanding is found in Gen 3:21 where God *'clothed the spirit*

& *soul with naked skin*' the skin or flesh was not the reality, it was *the inner* which is *Spirit* which gives life to all including the *soul* which is the reality & the soul has no immortality apart from the Spirit which is in our Most Holy Place & is now our **immortal reality**. So the **true tabernacle**, or God's dwelling place or **Temple** are those who God is preparing to be to today's Enoch or better still the Tabernacle of Christ which He is perfecting to be raised up to be today's true **future translation** men & women for this now age, we are not the type or shadow we are the REALITY. Always remember the Old Testament types & shadows are just that '**shadows**' & cannot & were never meant to be the REALITY. Incidentally I know of one particular ex-pentecostal leader who became involved in the Sabbath day teaching is now a converted Jewish Rabbi, now we may shake our head at this, but if we take law or legality to the complete limit there is no other destination. If we are endeavouring to completely & earnestly keep the law there can be no other result.

A Revival With A New And Better Thing In Mind!

"After two days He will revive us" Hos 6:2. Toward the end of the *second day* in the very early 1900s there was a Pentecostal revival & men & woman all over the world began to receive the baptism of the Holy Spirit in the same pattern of the early Church as they all spoke in other tongues as the spirit gave them utterance - *this was really a preparation for & of better things to come* - this continued for some time & in some circles God began to show people that there was more yet, & those that were **walking** closely with God with spiritual eyes & ears attuned, a further & deeper message of son-ship & Tabernacles or The Most Holy Place within man - *the kingdom of God is within you* - began to be revealed & embraced by those who were following the Spirit with their whole hearts soul & mind. Incidentally when we are **walking** & not running we can keep a clear observant open mind. Too many people today are **running** instead of **walking** in other words some think that unless they are busy & are running here & running there that they are not effective in the things of God, it would seem that Enoch was of an entirely different understanding. So **"He is now raising us up to live before Him"** or **"to live in His sight"** or face to face, so we need to *"know (recognise, be acquainted with, and understand) Him; let us be zealous to know the Lord [to appreciate, give heed to, and cherish Him]. His going forth is prepared and certain as the dawn, and He will come to us as the [heavy] rain, as the latter rain that waters the earth."* The admonition here is that this - *what God has planned* - is as certain as the dawn. I would say that the writer would more than probably had this verse in mind.

"But the path of the [uncompromisingly] just and righteous is like the light of dawn, that shines more and more (brighter and clearer) until [it reaches its full strength and glory in] the perfect day [to be prepared]." Pro 4:18. These verses are also very supportive of our thought. II Sam. 23:4; Matt. 5:14; Phil. 2:15.

"The way of the wicked is like deep darkness; they do not know over what they stumble." Pro 4:19. Also John 12:35.

So with this close **walk** there is much more ahead for the **future & translation** Enoch minded. In these things that we are sharing we need to come out of the mindset that we are rapture-d or die & go to heaven & that we are automatically changed or zapped into a new person & all is *hunky dory*. If we look closely at the the word we will see this is not so as we are *constantly being changed from glory to glory* wherever & whenever. 1 Pet 3: 19-21, Rom 14: 11, Lk 3: 6, Jn 12:32. The understanding among many is that whilst we are in this flesh that the love of God is available to us but the moment we die the whole scene changes & we come to a God of harsh judgement, but the Word would indicate otherwise. A lot of false hope & misunderstandings have been handed down from the harlot to her children, for instance any group or persons who advocate that those who are not Christians in the church standard way of thinking are going to an endless torturous hell without any let up, are either of the harlot or one of her children. You can call me a policeman or whatever but if we are *tarred* with the brush of the harlot we need a good washing & that is *"by the water of the word."*

The Full Sabbath Rest!

I see a definite connection between the **walk** & the **true rest**.

"So then, there is still awaiting a full and complete Sabbath-rest reserved for the [true] people of God; 10 For he who has once entered [God's] rest also has ceased from [the weariness and pain] of human labours, just as God rested from those labours peculiarly His own. 11 Let us therefore be zealous and exert ourselves and strive diligently to enter that rest [of God, to know and experience it for ourselves], that no one may fall or perish by the same kind of unbelief and disobedience [into which those in the wilderness fell]." Heb 4:9-11. What was the cause of this unbelief & disobedience, let us look at the reference we are given as it appears that we are encouraged to exert ourselves & strive diligently to enter into this rest. This is obviously speaking of more than just the usual way of putting aside one day.

"Today, if you will hear His voice, 8 Harden not your hearts as at Meribah and as at Massah in the day of temptation in the wilderness, 9 When your fathers tried My patience and tested Me, proved Me, and saw My work [of judgement]. 10 Forty years long was I grieved and disgusted with that generation, and I said, It is a people that do err in their hearts, and they do not approve, acknowledge, or regard My ways. 11 Wherefore I swore in My wrath that they would not enter My rest [the land of promise]." Psa 95:7b-11. Amp. Notice that the rest was the land of promise - *or dwelling place* - that God wanted to bring all of Israel into, remember this is the type which typifies the reality of where we are now. What was the requirement to gain access into this land on the other side of Jordan, let us read on.

"yet have tested and proved Me these ten times and have not heeded My voice, 23 Surely they shall not see the land which I swore to give to their fathers; nor shall any who provoked (spurned, despised) Me see it. 24 But My servant Caleb, because he has a different spirit and has followed Me FULLY, I will bring into the land into which he went, and his descendants shall possess it. Num 14:22b-24. This is the requirement that we need, we can appease our religious consciousness by doing something on the outer but God is looking for Caleb's who have a different spirit who have ***'followed Me fully'*** also notice ***'and his descendants.'*** ***"Be fruitful and multiply and fill the earth"*** looking at this in a purely spiritual context I ask. What would we be multiplying & what earth would we be filling? I would suggest to us all that it would be the multiplying of the pure seed or truth of God's word & I do not necessarily mean texts from the Bible, also the earth I believe is referred to here is that we while we are in this earthly body need to be filled with God's truth before it can be changed *'we shall be changed in the twinkling of an eye'* but to do this we must have more than a foretaste or a down payment, we like both Joshua & Caleb must have already pre-tasted the promised land by going on a pre-trip & came back with some of the goodies **with a good report** to share which is what many of us have already done today - *we have had a taste of the good things to come* - & are now telling you that there is a promised land & it is **within** & we are sharing some of the grapes & pomegranates with you right now. The *earnest or foretaste* is not enough the 10 tribal leaders already had that, they come back with Joshua & Caleb but they were not of the same spirit as these two as they did not want to follow Him **fully**, they Joshua & Caleb were sold out for Tabernacles which is the next step & were no longer satisfied with what they already had, they were awaiting the next command & did not have their mind on Pentecost but were concentrating on the next step as we have just read ***"zealous and exert ourselves and strive diligently to enter that rest [of God, to know and experience it for ourselves], that no one may fall or perish by the same kind of unbelief and disobedience [into which those in the wilderness fell]."*** Please remember that the 10 tribes did not avail themselves to God's best, & a very good lesson that I learn here is that popularity with men had nothing to do with God's perfect will. I might add that one of the main reasons for the retardation of the 10 was that they were afraid of the giants, these giants are the imagined giants of our own thinking & today these non-existent giants of our own imagined thinking will keep us from taking the adventurous step that we need to. Had they been trusting God it would not have been an issue at all, so many today are fearful of the so-called giants today which really only exist only in the mind & are of our own making.

PENTECOST IS NOT & WAS NEVER MEANT TO BE A SPIRITUAL DESTINATION!! I would also like to add. ONLY IN PROPORTION AS WE KNOW THE TRUTH CAN IT MAKE US FREE!! Saints it take a lot

of courage to release that which is familiar & seemingly secure, & to embrace something that is new to us. But there is no real security in what is no longer meaningful or necessary. Also as one has said , *"There is more security in the adventurous and exciting, for in movement there is life, and in change there is power."* I felt that these verses would interest us & help us to see the situation a little clearer.

"And the Lord, the God of their fathers, sent to them persistently by His messengers, - Why? - because He had compassion on His people and on His dwelling place. 16 But they kept mocking the messengers of God and despising His words and scoffing at His prophets till the wrath of the Lord rose against His people, till there was no remedy or healing." 2Ch 36:15-16. These two verses show us the compassion of God for & to His people, this is why He persistently kept sending His prophets, until God began to send judgements. God's judgements are always good as they are always *judgements unto righteousness & victory* & are for our admonition & correction & are designed to draw us closer to the One & to give us clearer & more reality in our understanding of He who is our true identity **within** us. Australia, has in the majority forgotten & ignored much of her past Christian ideals. In the past when Israel was growing spiritually cold there was always some admonition in the form of adversity to bring her into line, we know that this is the age of grace but a good father will always correct his children. In Heb 12:5-10 we are given some stern advice & in verse 6 we read ***"For the Lord corrects and disciplines everyone whom He loves, and He punishes, even scourges, every son whom He accepts and welcomes to His heart and cherishes."*** We are all loved of God & that includes every person & nation, Australia is very much included. The **rights** & principles of God have been replaced with the subtle insidious cry of **human rights**, & surrendering to God & His principles have been replaced with the word **resistance**, to any type of Holy thinking or behaviour, our heart grieves when I think of when I was growing up, most people had some sort of respect & regard to the things of God. The least used gate today is surrender & this is the only gateway to God *behold I stand at the door & knock & if any man or woman open the door - surrender - I will open unto Him.* Judgement I believe has begun in Australia & is well on the road to an enlargement that we never dreamed of & until the the cry of **human rights** is replaced with the cry of I surrender ALL to the **rights of God** the Christ that is within us our true & original identity, we in this country are in for some very hard times. A law has just been passed in this State Qld only today which involves in the legalising of same sex partners & they are now recognised & have the same legal rights as married people, sad to say this has completely opened the door to a re-enactment of Sodom & Gomorrah - *as in the days of Noah so shall the coming of the Son of man be, also as in the days of Lot -* & sadly many have not the slightest idea of what this means. This verse will no doubt interest many, keeping in mind that we are now spiritual Israel.

"The days of visitation and punishment have come; the days of recompense have come; Israel shall know it. The prophet is [considered] a crazed fool and the man who is inspired is [treated as if] mad or a fanatic, because of the abundance of your iniquity and because the enmity, hostility, and persecution are great." Hos 9:7. Amp. But in the midst of this there is wonderful news for the future.

"Every valley and ravine shall be filled up, and every mountain and hill shall be levelled; and the crooked places shall be made straight, and the rough roads shall be made smooth; 5 And ALL mankind shall see the salvation of God." Lk 3:6. One particular fault that many of us are guilty of is that wherever we are in our particular brand of thinking we harden & close off to anything different, especially to that which may rattle our cage *as it were.* I was encouraged by an article by Susan Cummings. This is an excerpt.

"Do not take one Truth, and discard another, but fully embrace all of My Word, and let it do it's work within you. Do not elevate one Truth above another, and build upon them, but eat them ALL and let them abide in you. Every foundation will be exposed, and Mine will be raised up."

"And no one after drinking old wine immediately desires new wine, for he says, The old is good or better." Luke 5:39. Amp. If our experience differs with truth, then our experience is wrong. Truth does not change because of what we think or feel. God is always a great encourager but if our interpretation disagrees with Gods word then our interpretation is wrong. Our title is **Walking With God**, we need the closeness of a constant walk to truly hear from God.

For It Is God In You Working His Pleasure!

"For it is God Himself whose power creates within you the desire to do His gracious will and also brings about the accomplishment of the desire." Phil 2:13. Weymouth.

The pleasure of God is to bring us into the Promised Land & the real meaning of this is to know that perfection, 'Christ' the Holy perfect one is actually your own original self that was created in the image of God. As Christ was the **Image** of God, when he reproduced Himself - *be fruitful & multiply* - you & I were actually one of the reproductions who are in the perfect image of Christ. Eph 1:4.CLV. ***"according as He chooses us in Him BEFORE the disruption of the world, we to be holy and flawless in His sight,"*** And further ***"For we are his workmanship, created - not recreated - in Christ Jesus to good works, which God has before ordained that we should walk in them."*** Eph 2:10. Web. Now the reality of this can only be understood as we seek God in the spiritual realm. This what we are sharing has not a thing to do with the fleshly realm. Now if we wish to rise higher we need to throw off much of our former teachings & understandings. I am reminded of the following illustration of which shows us that when in a situation of change we need not to take notice of the unsuitable & seemingly unattractiveness of God's perfect understanding for us, no matter how unreasonable it may seem to our fleshly mind.

"However, the centurion paid greater attention to the pilot and to the owner of the ship than to what Paul said. 12 And as the harbour was not well situated and so unsuitable - the reasoning of the fleshly mind - to winter in, the majority favoured the plan of putting to sea again from there, hoping somehow to reach Phoenice, a harbour of Crete facing south-west and north-west, and winter there." Acts 27:11-12. Amp. Not many on board would have agreed with Paul which is an indication that Gods secrets are never revealed to the majority. Incidentally the decision of one affected all, & each & every one of us have a responsibility. In the case of those who made the wrong choice, the result was that they run into a most terrible storm called Euroclydon, now even though not one of the occupants died & all finished up on Terra-firma, all of the storm & the ensuing consequences could have been avoided if they had heeded the spiritual advice of Paul. Now what we learn from this is that even though ***"God is not intending any to perish"*** and ***"wills that all mankind be saved and come into a realisation of the truth."*** our obedience can cause us to by-pass a lot of needless heartache. Keeping well in mind ***For It Is God In You Working His Pleasure*** & He will never stop drawing any of us until He ***brings about the accomplishment of the desire*** & that is that all men will come to the understanding of who they are already & experience the realisation of eventually becoming the TRUTH who is CHRIST.

The Disruption!

In the original King James Version. I have been informed that there is a footnote to the effect that the original first three chapters of Gen are not to be taken literally as they are a *myth*, today we would use the word *allegory*. If we are going to insist that we believe every word literally then we will run into a host of problems. One main problem is if the tree of good & evil was a literal tree on the outside of us then when did it change & if every time we wish to eat from it where would we find that literal tree today. I believe that these chapters are given to us as a guide as *we are a garden enclosed* Song of Sol 4:12, 6:3. Isa 58:11. So really as we have have so often heard that when we read we are not just to read the Bible as we would read any book, it is a book full of spiritual allegories & analogies. We need to read much deeper than the ink on the paper to find the hidden secrets that are hidden in the Word. Also if we try to always apply chronological order to these first three chapters again I see a grave danger of missing hidden spiritual truths.

Keeping this in mind We need to realise that God has given us sufficient evidence that He many times works in **threes**. Father, Son, Spirit. Outer Court, Holy Place, Most Holy Place. Spirit, Soul, Body. Milk, Bread, Meat. 30 fold, 60 fold, 100 fold. The Way, The Truth, The life, etc. All of this is revealing to us a ONENESS. All of these threesome illustrations are given to us for the purpose that we might learn to think in the terms that God is obviously showing us. When man was made in the Image of God, he was

made a Spirit being. How long this period of pure Spirit lasted is open for conjecture, but sufficient to say He was not yet in the second or soul realm until man was made a living soul. The soul realm is where man dwelt before he was given a body & is where those who die return to. Adam & Eve could not yet procreate in that realm. I believe that all of the advice that God gave them in Gen 2:24 concerning marriage was for the future flesh experience which began in Gen 3:21. I wish to suggest to us all today that there is a further lower realm than the soul realm & that is the flesh realm which man experienced when the earth experienced the lowering or the **disruption**. Notice that Adam & Eve were not driven from the garden until after Gen 3:21.

"Truly You are a God who hides Yourself, O God of Israel, the Saviour." Isa 45:15. But in time He reveals His secrets to those who seek Him. **"Nor will I hide My face from them any more,"** Ezek 39:29. There are many of us who have truth in some areas but are glaringly lacking in others & stick to their particular thoughts & texts even if it means ignoring many others to do so. We are all learning!! It is also very interesting that Adam & Eve did not come to **know** each other & procreate, until after Gen 3:21. Why? Well in my humble opinion until then it was impossible as they were still in the realm of the Soul. Most believers take this verse literally & think that God killed some animals for the skins to clothe them, yet the word tells us several times that God never did desire the sacrifice of animals. Ps 40:6, 51:16-17. Jer 7:22-23. Micah 6:6-9. As God purposely hides his secrets & reveals them to those who do not look at the literal but to the deeper understanding.

"It is the glory of Elohim to conceal a matter, And the glory of kings to investigate a matter." Prov. 25:2. CLV. Another translation tells us **'to search out a matter.'** And may I also say that when God wishes to hide something He can do it very, very well but God does **'reveal His secrets'** to many as we very well know.

The Difference!

When a person takes on a body of flesh the soul realm is closed off to them *for obvious reasons*, when the flesh is finished with, the reverse takes place & they are no longer bound by the limits of the lowered realm & they once more enter into the vast many sectional realm of where dwell Angels, the spirits of just men made perfect, Moses & Elijah, who appeared on the Mount of Transfiguration & were still very much alive & not forgetting that Jesus said He is the *God of the living & not the dead*, the realm of where Jesus preached to those who were once disobedient in the days of Noah. Also we must take into account those disobedient Angels in Jude who abandoned their proper place & are now in a place reserved for judgement. To say that when this flesh finishes & - *the spirit returns to God who gave it* - means that it is the finish of the existence of the individuality of the YOU is to ignore much of what we have already stated & is in my opinion really a closed off blinkered view. There are tremendous truths coming forth today, individually we do not have it all, but together as the true body of Christ WE DO!!

Now to those who are not sure of this, that is quite OK as it is only the Spirit of God who reveals His ongoing truths. We can sow the seed but it must die first & then grow & emerge in our lives. To those who are interested & wish text proofs I will share some of what I mentioned in our last article regarding Gen 3:21. If you care to look in the appendix 34 of the Companion Bible you will find some very interesting information on this text as it was tampered with. Furthermore if you look at the word *skins* as in coats of *skins* this is from **H5785 'ôr ore From H5783; skin (as naked); by implication hide, leather: - hide, leather, skin**. In other words God clothed their spirit & soul with naked skin. Once again this is why Adam & Eve could in no way procreate before Gen 3: 21. Why? Well before this they were still not in the **flesh** Realm & it was not until after the **disruption** that we see them coming together for **human** procreation. Also as I have already mentioned it is at this time that they were ejected from the Garden keeping in mind that Adam was still in a deep sleep & that all of this is happening in our garden within us.

Returning!

The unseen Realm is with us always, it is intermingled with us constantly, we in our flesh existence cannot perceive the other realm & yet some who are very soul sensitive have had experiences that many will not believe, be that as it may, we in the spiritual realm have also had very wonderful experiences. Every time we hear *which is not often* of one being visited by an Angel this is proof of the unseen realm.

Many people have a mindset on going UP to heaven. I personally do not feel that one necessarily goes up into the sky when death occurs. I would ask the question. Which way is up? If one is in Australia & they go up in a direct flight they would be travelling in the exact opposite direction as someone on the other side of the world who was to travel directly up & if both continue on their direct course the further they travel they would finish billions of miles apart. We are speaking in the realm of the natural mind which is the way most nominal Christians think. Furthermore there is North, South, East & West, four different directions. If a literal UP is where we are going this makes things very confusing. Which UP would be the right direction?

When it is time for those to finish with the body, in my opinion we do not go anywhere geographically we simply lose the hindrance of the body & see what we could not before. Now what determines our experience in that realm is what we are spiritually in our true selves. We will be drawn to what, who & where we are, not too different in one way to now, like attract like, but the truly spiritual will be in a far different & higher sphere, than the ungodly, still in that many faceted realm. Beloved we need to be understanding that God & His spiritual existence is in an entirely different Realm than our natural fleshly way of thinking which is an **enemy** of the things of God. Saints we need the close **walk** of an Enoch to understand the wonderful things of God. ***"Call unto me, and I will answer you, and I will show you great and hidden things, which you know not."*** Jer 33:3. Darby.

So to return to our Edenic experience we must realise that there are three realms that man must experience & not two. The first was the realm of pure spirit, next was the realm of the soul, then man was lowered into the flesh realm which I see as the **disruption** that affected everything including the vegetation & even the animal world which is why we read ***"That nature (creation) itself will be set free from its bondage to decay and corruption [and gain an entrance] into the glorious freedom of God's children. 22 We know that the whole creation [of irrational creatures] has been moaning together in the pains of labour until now."*** Rom 8:21-22. Amp. Also in conjunction with this thought we read a very interesting verse in Jeremiah. ***"How long must the land mourn and the grass and herbs of the whole country wither? Through the wickedness of those who dwell in it, the beasts and the birds are consumed and are swept away [by the drought], because men [mocked] me, saying, He shall not [live to] see our final end."*** Jer 12:4

What we are saying here that it took three steps down Spirit, Soul & then **flesh**, & it will take three steps to return & not two. Oh the wonderful hidden things of God are even more wonderful when seen in their true spiritual light.

"And Enoch walked with God: and he was not; for God took him."

And so we desire the **walk** of an Enoch! Let us ALL thank God that He is helping us all to fulfil His plan for us in being a part of the **future & translation** MANCHILD GROUP.

Another Voice From The Past!

Gregory of Nyssa, An early Church Father. Wrote; The Divine judgement does not as its chief object cause pain to those who have sinned, but works good alone by separating from evil, and drawing to a share in blessedness. But this severance of good & evil causes the pain (of the judgement). In other words, the penalty is the cure; it is merely the unavoidable pain attending the removal of the intruding element of sin. – Gregory. *Dialogue of the Soul and resurrection.*²⁰

Many blessings to all.
