

CHRIST THE ANTIDOTE REGARDING DEATH

Part 52.

The Third Day!

*"For this is the covenant that I will make with the house of Israel after those days, says the Lord: I will imprint My laws upon their minds, even upon their innermost thoughts and understanding, and engrave them upon their hearts; and I will be their God, and they shall be My people. **And it will nevermore be necessary for each one to teach his neighbour and his fellow citizen or each one his brother, saying, Know (perceive, have knowledge of, and get acquainted by experience with) the Lord, for all will know Me, from the smallest to the greatest of them. For I will be merciful and gracious toward their sins and I will remember their deeds of unrighteousness NO MORE.** When God speaks of a new [covenant or agreement], He makes the first one obsolete (out of use). And what is obsolete (out of use and annulled because of age) is ripe for disappearance and to be **DISPENSED WITH ALTOGETHER.**"* Heb 8:10-13 Amp.

When we wrote in Part 50 *The End Of Sin!* We mentioned that there would be some that would whole heartedly agree, then there would be some that would seek God in their inner true identity & receive illumination, then we mentioned that there would be those who would not yet be ready. The correspondence that we have since received has proven that this is exactly so. With any revelation from God there is no condemnation to anyone anywhere & as far as God is concerned it is *"every man in his own order."* We also mentioned that this was the start of a new spiritual era or *ball game*. This is what I wish now to address in this article. With any Godly revelation it will always entail repercussions in our private spiritual life. The first is, am I willing to pay the price for the deeper understanding I am being given? I am speaking for all of us here. **Remember the deeper the truth the less popular it will be!**

In realising that there is **no more sin or sin consciousness** we must now cease from still trying to eradicate sin, especially in the way that we have heretofore been used to - *as sin has already been dealt with* - we now need to begin ministering from within our most holy place shekinah realm & when we do this those who we are dealing with will respond accordingly & their true Gen 1:27 self will recognise & react to this. Those of us who wish to move on in God need to be willing to take a giant quantum leap into this next step that not only lies before us but is right now upon us. If there is **no more sin** then we must cease from trying to eradicate it. We are at the beginning of *"And it will not be necessary for each one to teach his fellow citizen"* with & by the old in part realm way of doing things. I ask the question, how many of us are willing to take this step? *"He is taking away the first that He may establish the second"* Heb 10:9b. *"He makes the first one obsolete (out of use). And what is obsolete (out of use and annulled because of age) is ripe for disappearance and to be dispensed with altogether."*

Right now for those who are interested there is no more use for the old teaching ministry as in Eph 4:11. We must keep in our mind that we are not teaching in the way of the second realm ministry gifts. We are now in the *"last day salvation that is now being highly revealed"* 1Pet 1:5. This third day ministry does not incorporate anything to do with the diminishing in part realm to us. This may be hard to grasp for some but we have now entered into a new *ball game*. In the old sense of thinking we cannot teach anyone, if we do we are not on the right tram & we need to get off at the next stop & **reconsider.**

*"And it will nevermore be necessary for each one to **TEACH** his neighbour and his fellow citizen or each one his brother, saying, Know (perceive, have knowledge of, and get acquainted by experience with) the Lord, for all will know Me, - or will have the God given capacity to receive from within their own*

true identity - *from the smallest to the greatest of them. For I will be **merciful** and gracious toward their sins and I will remember their deeds of unrighteousness NO MORE.* When God speaks of a new [covenant or agreement], **He makes the first one OBSOLETE** (out of use). And what is obsolete is (out of use and **annulled**." We are no longer their teachers in the old sense of understanding, they are our friends, our neighbours, our fellow citizens & we are now ministering - *or sharing* - from only the **most holy place within** & when we do this, their most holy place within will recognise & respond accordingly. We must be willing to do this for if we still minister from the in-part realm that is what they will receive. But if we minister in & from the most holy place realm they will respond to what they are hearing. **"for it is God who works in you both to will and to work, for his good pleasure."** Philip 2:13 ASV. There is spiritual principle & that is that people always respond to what they hear. Share from the outer court & that is what they will believe, share from holy place & that is what we will get. Some are now sharing from only the most holy place & are seeing results. Whatever seed we sow you can be sure that very same plant will grow. Can we receive this? God be praised.

A Voice From The Past!

A number of years ago one of our great forerunners George Hawtin had this to say & how perfectly it fits our present scene.

*"Pentecost in any man's life should be one of the initial experiences of his progress towards son-ship. It should be the **alpha & not the omega, the beginning rather than the end.** Pentecost is really the earnest of our inheritance; **it is not the inheritance itself.** Eph.1:14. The word here rendered, **EARNEST**, in the Greek means; a pledge, a part of the purchase money or property given in advance as security for the rest. Long ago in Israel when one man bought a piece of land from another, the seller removed his shoe from his foot, filled it with the soil, & gave it to the buyer, signifying that the land was now his possession & inheritance. Ruth.4:7. This shoe full of soil was called the earnest of the inheritance. That is what the baptism of the Holy Spirit really is. Pentecost is the earnest or a foretaste of a great inheritance **to come.** Let us not miss this fact, however. The earnest of the inheritance contained in **minute form the qualities of the inheritance**, & on that glorious Pentecost about two thousand years ago there was an **OPEN HEAVEN.** The sounds of a rushing mighty wind came from heaven. Tongues of fire came from heaven & filled the waiting believers. Those assembled that glorious day had their spiritual senses awakened. They saw the heavenly fire; they heard the heavenly wind as the Holy Spirit swept over them. They felt the glory through their mortal bodies until they staggered about as drunken men full of the wine of the heavenly Canaan. They were men transformed because they tasted of the blessing & the glory & the power of another world, a heavenly world, & the world of their heavenly citizenship. As they walked in the glory of that earnest of their inheritance, nothing could stand before them. Nothing could gainsay or resist them. The shadow of Peter healed the sick. Angels descended from the glory world to open their prisons & set them free. Acts. 5:19. Dead were raised to life, demons scampered away to the nether regions, & multitudes were converted to Christ. **All this was but the beginning. It is not the end. We do not need another Pentecost,** which was the Earnest of our inheritance. **WE MUST NOW POSSESS THE INHERITANCE ITSELF** --- our spiritual Canaan, our heavenly citizenship.*

*The excellence of the realm of which we speak may seem to cast a shadow of doubt over our minds, for **tradition has not taught us to expect these glories here & now** as part of our inheritance, but has taught us rather to expect them after death in some far distant day. But for the sake of faith & hope that maketh not ashamed, the word of God is replete with Many Witnesses of men & women who, while here on this earth, walked in the light of an Open Heaven, having **all their spiritual senses wide awake to see, hear, taste touch & feel & smell the effulgent glory of an open heaven.**" Unquote.*

Being Born Again!

To show that dramatic change is taking place in our understanding & perception & that there is a wonderful upgrading in many of our pertinent to date accepted understandings. I wish now to share with

you how God upgraded our perception of being **born again** according to the most holy place understanding of the **NEW BIRTH**. To grasp this we will need to come out of our first day & second day or second realm pentecostal perception of the new birth. As many of us are already aware of, there are at least three levels of understandings & at least three legitimate interpretations on almost any parable or scripture. The understanding of the new birth in outer court, is somewhat different to the fullness of *the Spirit* new birth perception of many pentecostal-s. So again there is also a difference in the **secret place**.

A number of years back after I was uprooted & plucked out of the church system by God Himself, I found myself alone with God without any other influence than the Spirit of God alone. There were no more axes to grind with others who disagreed with me in a system that was full of man's opinions. It was a wonderful time in my life as I had no one to disagree with other than God Himself.

One morning as I was reading Jn 3:3 "*Except a man be born again He cannot enter into the kingdom of God.*" my eyes alighted on the word **again** a still small voice within spoke to me & said "*look in your concordance*" I did not take any notice as I thought to myself I already know what it means & that is "*from above, only*" **how wrong I was**, as I read further, the still small voice spoke & said again *go to your concordance* once again I dismissed the thought & presumed that as already knowing the meaning it was only my own mind in action. Again I proceeded to read on & then a strong direct forceful order that was almost audible commanded me once again to open my concordance. I can tell you that this time I very quickly did as I was told & in doing so I received a most wonderful revelation which I will now share with you.

Recognising Our True Original Birth!

In **Strong-s** the word AGAIN is depicted as # **G509** anōthen *an'-o-then*. From G507; *from above*; by analogy **from the first**; by implication *anew*: - from **above**, again, from the **beginning (very first)**, the **top**.

At first this did not mean much to me, then as I began to look at the words, from the **beginning**, from the **very first**, & from **the top**, something began to register within. The **beginning** & the **very first** initial originality of our experience is that we were "*created in Christ Jesus*" Eph 2:10. The original is **created** & not as some suppose **recreated**. Where were we first created in spiritual form in Christ? In Gen 1:27. So this word *anōthen* is telling us much more than what we were seeing in our second day or holy place experience. As most of us know our **most holy place** experience is vitally related to the grasping of the Gen1:27 understanding of this experience. In realising that our most holy place acceptance of this, from the **BEGINNING**, from the **VERY FIRST**, from the **TOP** which really means a new further awakening on our earlier perception which was our **alpha** & not the **omega** of our full new birth. As our dear brother George Hawtin has so adequately shared with us & that is that there is an **omega** understanding or a great end or finality, or wind up which is eventually found in the **fullness** of our most holy place experience.

From the **beginning**, from the **very first**. From **the top** which even today in musical terms denotes from the very start of the song. This to some of us means a **new awakening**, a **new realisation**, a **new recognition**, a **new awareness**, an **illumination**, a **rejuvenation** & a **regeneration**, of that which we formerly accepted as what we ignorantly, mistakenly thought was the **fullness** of our complete birth.

The reason that I am writing in this way is to **stir us up** into a realisation that we are now in a great change up, for years we have been hearing that He is coming soon, it is interesting that whenever God does something new it is never quite in the way that we expect. He is always full of surprises. Who would have thought that God had a man called Moses to lead the people of Israel away from Pharaoh-s Egypt who was from out of the **house of Pharaoh**, or who would have imagined that to defeat the giant Goliath He had prepared a little 2 x 4 sheep herder who was the youngest & most insignificant of all of Jesse-s sons; David. Gideon is also a good example of God's surprises. Our wonderful God very rarely does things in the way we expect, He is always full of His wonderful upsets & usually goes totally against

OUR PERCEIVED NORM. Blessed be our great God & Saviour!! So we reiterate that right now a dramatic change is taking place in our understanding & perception.

We Are Being Established And Also Made Aware!

*"That you are not [consciously] falling behind or lacking in any special spiritual endowment or Christian grace [the reception of which is due to the power of divine grace operating in your souls by the Holy Spirit], while you wait and watch [constantly living in hope] for the coming of our Lord Jesus Christ and [His] being made visible to all. And He will establish you to the end [keep you steadfast, give you strength, and guarantee your vindication; He will be your warrant against all accusation or indictment so that you will be] **guiltless and irreproachable in the day of our Lord Jesus Christ (the Messiah). God is faithful (reliable, trustworthy, and therefore ever true to His promise, and He can be depended on); by Him you were called into companionship and participation with His Son, Jesus Christ our Lord. But I urge and entreat you, brethren, by the name of our Lord Jesus Christ, that all of you be in perfect harmony and full agreement in what you say, and that there be no dissensions or factions or divisions among you, but that you be perfectly united in your common understanding and in your opinions and judgements."** 1Co 1:7-10. Amp.*

This is not only Paul's wish that we would not be lacking any spiritual endowment but this is the Spirit of God speaking through Paul & that we need to consider that in truth we already have been endowed with this divine grace it is already deeply within us & is part of our heritage & that which is not only ready to be revealed but is now I believe being mightily revealed to those who have **ears to hear**. Furthermore we are guaranteed **vindication** & a warrant against all **accusation & indictment** for standing for truth in this day of the Lord Jesus Christ. There is no doubt that this is speaking of the completion of this day but many of us realise that this day is closer than ever & even though there maybe a time ahead of us, we are now at the crossroads of believing & acting out by **faith** that which we have longed for. I wish here to say this that the faith that we are now operating within ourselves we are confessing & believing something that we **have already received, something that we know we ALREADY ARE**. He God can be depended on & will back us all the way in our dependence on Him & acting as his corporate son on this given word for this hour.

I truly believe that these last words of Paul are not just a *pipe dream* & are far more than just wishful thinking, & what's more I believe that the apostle Paul believed that the last verse concerning **harmony & agreement** would be entirely possible & a demarcation & a sign among the mature son's of God. Am I writing this to try to impose my will & opinion upon you? No! But I believe it is our spiritual duty that any time that we read something that is written to us, especially if it is of a revelatory content that we need to check it out earnestly with our Father. For in truth the mature son's agree in spirit even now & I am confident that all will agree in all things at the full manifestation. Many of us do even now, but our aspects of thinking & viewing things from our own standpoint are somewhat different. The above verses are wonderful words of encouragement for this present time **EVEN NOW**.

I'm A Sinner!

I am now quoting from a article which I had completely forgotten about until after I had written Part 50. **"The End Of Sin."** This article was sent to me by the late Bennie Skinner & was entitled "A Case Of Mistaken Identity." This is what the writer - *who's name is unfortunately missing* - had to say.

"In this crisis scene in our lives, God is separating us from our identity of who we thought we were, our identity with the flesh, & He is causing us to manifest our true identity, that of a supernatural being, that of the Christ.

If this is true, then what was this event which is traditionally called "the salvation experience?" All

most of us did at that point was to come to the understanding that we were **sinner**s. We **identified** ourselves with **sin**, with the ego, & said **"I'm a SINNER."** **Regrettably, some have never moved off that mark.** Was that an identity with a supernatural being? No! **Did we hear God saying, "You are My beloved Son" at that point?** Probably not. We drowned it out by saying, **"I'm a SINNER saved by grace."** We were still **mistaken** about our identity!

I thought it would be interesting to take the literary definition of "hamartia," a mistake in identity, & I substitute the word **"sin"** in some familiar scriptures: . . . "he who has suffered in the flesh has ceased from **mistaking his identity.**" 1Pet. 4:1. . . . "all have **mistaken their identity** and fall short of the glory of God." Rom 3:23. . . . "For the wages of **mistaking one's identity** is death." Rom 6:23. . . . "through one man **mistaking one's identity** entered the world." Rom 5:12.

At what point did that one man mistake his identity? Back in Gen 2:23, Adam looked at Eve, who was representative of his soul or flesh nature & said, "This is now bone of my bones and flesh of my flesh." Adam made this mistake in thinking about who he was long before the serpent came along with its trickery. He planted the seed of wrong thinking about who he really was, a son of God, & passed it on to all of mankind through wrong thinking about who he really was, a son of God, & passed it on to all of mankind through his genetic code.

Now since we are speaking of sin being a **mistake in identity**, what then is forgiveness? In **Strong's Concordance**, to forgive is #863; it means to send away, lay aside, leave alone, forgive. It comes from #575, apo, which means away from, & denotes **separation**, cessation, or **reversal**.

As noted before, the word **crisis means separation**. In spiritual terms it is a time of God's judgement. It is a point at which God brings about a **reversal** in our thinking, which **separates** us from who we thought we were. So **forgiveness** of sin would be a **reversal in our thinking about the mistake in identity** of ourself or another. Using this rationale in loose substitution, John 20:23 becomes;

If you **reverse the mistake in identity** of any, their **mistake in identity** will be **reversed**. If you retain their mistake in identity, it has been retained.

True forgiveness, then, is to reverse the mistake in identity that has been made in our mind about ourself or another. When we enter this kind of forgiveness – this kind of judgement, we enter a place of true enlightenment in our thinking, because we see things as they really are. It is at that place of enlightenment where the point of epiphany is reached & the supernatural is being manifested.

I urge all who have ears to hear the message to behold the true identity of all mankind. Then, listen, & you will hear the Father say, **"You are my beloved son in whom I am well pleased."** Unquote.

This Is My Beloved Son In Whom I Am Well Pleased!

To further emphasise the above excerpt I would like to add. This is something that would be good to keep in our minds at all times. **"I am God's beloved son in whom He is well pleased."** When we first came to God unfortunately we identified with our ego - *our mistaken identity* - & said **"I'm a sinner saved by grace"** which is no doubt true, but the flip side is that Christ came to lift man up & to have him realise that as I and my Father are One, so too we are also **PARTAKERS OF HIS DIVINE NATURE** & that makes us also **kings & priests as well as a SON OF GOD**. Why is it that we have always looked at the **tail** side of the coin instead of the **head**. Why is it that we have never moved off the mark of thinking & confessing the worst? The answer of course is that our carnal fleshly ego cannot see any higher than the worst **"for the natural man cannot receive the higher things of the spirit."** Why have we kept such a low mind set of ourselves since our initial experience with Christ? If we at that time had only considered deeply the words **"You are my beloved son."** It is now time to move off the mark of the negative &

confess that Christ took ALL of our sins at Calvary & as far as the **East is from the West** He has removed our sins from us & they are GONE, GONE, GONE. He has paid the price & there is nothing more for us to do but to realise that we are **God's own son. A SON OF GOD.** This is why there is no more need for us to have a consciousness of sin, for according to God's word it was **FINISHED** at Calvary, that is **the end of sin.** I repeat it is now time to move off the old way of thinking & into the new. I am now quoting again from the above article.

"In this crisis scene in our lives, God is separating us from our identity of who we thought we were, our identity with the flesh, & He is causing us to manifest our true identity, that of a supernatural being, that of the Christ."

We Need A Paradigm Shift!

One simple way of describing this is that we see & know things in a different & **deeper** way. For many, many years Swiss clocks & watches were by far foremost in the world of the *time telling* market. Then suddenly the computer age appeared & things became digital, the old was replaced with the new. China began to produce digital clocks & watches & they have now taken over the market. This may be sad for some & yet the on the other hand what a wonderful blessing they are to us for even though today not many wear any sort of a watch, most of us carry a mobile phone which gives us the time. Nowadays we rarely see a mechanical clock or watch, they are a rarity the old is no longer of any use, people have **moved on** & unfortunately the old is gone forever for most, for we have moved with the times. The old has made room for the new. We are telling the same time in & by different & more up to date means. There has been a **paradigm shift** in the way that the time is being received.

*"A man by the name of Covey has given this example of a paradigm shift: he was travelling in a subway, a man gets in with his two sons, the sons are running all over the place bothering the people, this continues, so he finally gets irritated enough to ask the father why he doesn't do something to control his kids. The father replies, "We just got back from the hospital where their mother died. I don't know how to handle it and I guess they don't either." Suddenly you see everything differently. **That is the power of a paradigm shift.** They are the same kids yelling and screaming in the subway, but you look at them and understand them in a **different way.**"*

The reason that there was a change in this man Covey, is that when he learned the **full story** & true reason regarding the circumstances for the behaviour of the children it **changed his mind.** What changed his mind? The **truth** of the situation caused him to have a **paradigm shift** in his thinking.

We today as we learn of the full truth of what the blood of Jesus Christ accomplished on the Cross & when we realise that it was for **ALL** men, also when we realise that through the blood of His Cross He has reconciled **ALL** things unto Himself whether **IN HEAVEN OR IN EARTH.** Col 1:20 & even **under the EARTH** Phil 2:10. When it is also revealed that also through His blood He has taken away the **sin of every man, & is not rewarding any man according to his sins,** & He has removed them as far as the **East is from the West.** He not only paid the price through His Son by His blood He also **sealed up our sins & completely covered our iniquities never to be remembered again,** which entails no more **SIN CONSCIOUSNESS** & at the same time our great God sees EVERY MAN pure & perfect in His sight & in time will reveal this to every man that He is the **SAVIOUR OF ALL MEN** especially to those who believe or realise it, & that they **ALL** are **SON'S OF GOD** in their original Gen 1:27 spiritual creation.

As men begin to grasp that it is absolute truth that **ALL SIN & SIN CONSCIOUSNESS** has been taken care of **"once & for all"** He appears the second time **in & through His corporate body** not to carry any **burden of sin nor to deal with sin.** Also along with this comes the realisation that we are now ministering to others through & by our true identity & no longer is it necessary to go via the older outer court or the holy place to bring people into a full **most holy place** experience, this not only warrants a

quantum leap but certainly becomes **the power of our PARADIM SHIFT** as we begin to see things in an entirely different way.

I wish to stress again the fact of the importance of the way that God is imparting the revelation of the **end of sin** & that is in & **through His body**, His corporate Christ self, we are the vehicles, **the clouds** that He is using. If we His body do not declare it who will? We must carry the mandate forward as He gives the orders. I am sure that there would not be many that would disagree with me on this point!

God is moving on **"He is taking away the first to establish the second."** Surely this is God's now **NEW THING!**

I have only this minute finished a phone call from a very close & experienced friend Marj Stampa who is well into her eighties. The reason for her call was that she wanted to inform me that God had shown her that not one of us can break completely through the veil whilst we have any **sin consciousness whatsoever**. I thank God that He is now revealing this to many & is certainly stepping up the pace at this time.

A Nemesis Of Love!

"And I will make My holy name known in the midst of My people Israel, and I will not let them profane My holy name any more; and the nations shall know, understand, and realise that I am the Lord, the Holy One of Israel. Behold, it is coming and it will be done, says the Lord God; that is the day of which I have spoken." Eze 39:7-8. Amp.

"And you, son of man, thus says the Lord God: Say to the birds of prey of every sort and to every beast of the field, Assemble yourselves and come, gather from every side to the sacrificial feast that I am preparing for you, even a great sacrificial feast on the mountains of Israel at which you may eat flesh and drink blood. You shall eat the flesh of the mighty and drink the blood of the princes of the earth, of rams, of lambs, of goats, and of bullocks, all of them fatlings of Bashan [east of the Jordan]. And you shall eat fat till you are filled and drink blood till you are drunk at the sacrificial feast which I am preparing for you. And you shall be filled at My table with horses and riders, with mighty men, and with soldiers of every kind, says the Lord God. And I will manifest My honour and glory among the nations, and all the nations shall see My judgement and justice [in the punishment] which I have executed and My hand which I have laid on them. So the house of Israel shall know, understand, and realise beyond all question that I am the Lord their God from that day forward." Eze 39:17-22. Amp.

These are very descriptive & seemingly ruthless few verses showing us the feelings of God but know this that God has feelings & He can - *as in the above* - be very descriptive when giving vent to His feelings. Hard as it may be for some to believe, **know this**, that in every action of God His love for mankind is involved. Consider this verse ***"For the creation (nature) was subjected to frailty (to futility, condemned to frustration), NOT BECAUSE OF SOME INTENTIONAL FAULT on its part, but by the will of Him Who so subjected it--[yet] with the hope."*** Rom 8:20. Amp. As we have said so many times God has **US, every man** at heart, once you have understood this then the rest of the puzzle of Gods plan for man will for you, fall into place.

And I will not let them profane **My holy name** any more – *all will know Me from the least to the greatest* - and the nations shall know & understand & realise that I am the Lord the Holy One of the **true** Israel, **behold it is coming & it will be done, that is the day of which I have spoken**. There is a sacrificial feast that He is preparing for His true present Israel, **his son's, the man-child**. You shall eat the flesh of the mighty & drink the blood of the princes - *so called* - till your are filled at the sacrificial feast I am preparing for you. This is a very graphic illustration showing us the very elated victory he will be sharing with His sons, His very own self, His corporate Christ self, can you imagine as Christ was one with the Father, **"I and my Father ARE one"** the Spirit would want you to know today that there is no

difference - *in one sense* – between the singular Christ & the Christ who is indeed His extended many membered self, the corporate Christ. Also remembering again that **I AND MY FATHER ARE ONE**.

As the most holy place in the tabernacle plan was an expression of God, it was more than just an expression only, it was God's very own presence in that particular site. So too we in us in our very own most holy place **site** have the very same God presence-d in our very own being. This is more than just an expression. We are God's own Christ. Can we now begin to see why there is so much graphic emotion in the above verses?

And I will manifest My honour and glory among the nations, and all the nations shall see My judgement and justice - *in the punishment which* - I have executed and My hand which I have laid on them. So the house of Israel shall know, understand, and realise beyond all question that I am the Lord their God from that day forward. This is about to take place; Already we are ruling & reigning in the spiritual sphere as **clouds** in the withholding & instructing of certain spiritual elements in helping to arrest the attention of those who God is drawing. This is certainly a most exciting time.

The Eagle Nature Of God!

"His young ones suck up blood, and where the slain are, there is he." Job39:30, Amp. If we look in verse 27 we see that this is the eagle of which his prototype - *in His eagle nature* - is God himself. I would in conjunction with this thought now look at. *"They then asked Him. Where, Lord? He said to them. Wherever the dead body is, there will the eagles be gathered together."* Lk 17: 37. This to myself is showing further the seemingly ruthless side of God - *His young ones suck up blood* - when it comes to important issues such as when His name & glory are in question & this includes His Son which is part of His body of which we are included. Co-join this last paragraph with what is directly written above it & we will see that not only is He a God of love but He is totally reliable & to be completely depended upon in all ways. This is not depicting a God of vengeance toward mankind, His creation, but revealing the emotional side of God which is against that which would be against His righteousness & goodness.

The Third Day!

"Jesus answered them, Destroy (undo) this temple, and in three days I will raise it up again." John 2:19.

So on the **THIRD DAY** He is raising us up, His temple, *"After two days - a day with the Lord is as a thousand years - He will revive us quicken us, give us life; on the third day He will raise us up that we may live before Him."* Hosea 6:2. Amp. This is happening right now in a far greater way than ever before. Let us respond to what is now being revealed to us in this hour right now!

Many, many blessings to you all.

Ralph Knowles, February 2013.
