

EXPERIENCING ETERNAL LIFE...NOW

BY: BRAD CULLEN - SEPTEMBER 10, 2004

The words in the original language translated as “eternal life” literally mean NOW, in this moment that has no end OR beginning = NOW!

“Eternal life” is an entirely different realm than that which we experience with the five senses. “Eternal life” is not life after death. “Eternal life” is NOW -- instead of death. STOP! Don’t take my word for it. Jesus said, “He that believes in me shall never die.” Eternal life is NOW. By entering eternal life NOW, and living there in a continuum, we avoid death altogether. Jesus said, “God is a God of the living - not of the dead.” Jesus said, “Satan has but one purpose, to destroy your faith and to kill you -- but I have come to give you LIFE.”

How do we live in this NOW in a continuum? Jesus said that Spirit will guide us into all truth. Making the choice is simple -- “Spirit of the living God, I open the door to you now, this very moment. I want every moment to be living in Eternal life. Thank you for guiding me here and NOW.”

This choice is always ours, always NOW.
