

LEGALITY/AUTHORITY

BY: BRAD CULLEN

There is a system under which the spirit world operates and how it affects the physical plane – i.e. our lives on this planet.

The system is governed by principles or laws that must be understood and followed if we are going to operate in the authority that Jesus promised, that is, “I give you authority over all the works of the evil one.” The reason most folks don’t operate in the presence and power of I AM, healing diverse diseases, casting out demons, giving sight to the blind, hearing to the deaf, raising the dead and so on, is they believe they cannot. Or, they ignore the law governing such things. Boiled down to basics we can state the dynamics of the law in this way: Unless the conditions of the prevailing law are met, we have no authority to heal or do anything else on a “supernatural” level. Consider the following:

People often wonder why their “prayers” go unanswered. Jesus promised that “Whatsoever you ask in my name, believing, it will be done” (period).

Millions of people pray for things every day and finish their prayers by mouthing the words, “in the name of Jesus amen” and still nothing happens. Why? The reason nothing happens is that the condition of the promise is not met. They simply don’t believe enough. Many people compound the problem by adding to “in the name of Jesus,” – “If it be Thy will.”

Why can I speak and pray with such authority and get results while others cannot? Because I never pray until and unless I know that for which I am praying is God’s will. In other words I am nothing special... I just understand and operate within the system. So can you. Jesus said any individual that believes enough will do the same things he did and more.
