

The Incorruptible Seed

Part One

I am going to express some things in this writing that may perhaps be new to you. Hopefully they will be confirmations to what the Lord has been showing you, or perhaps you will "*Just Know*" that it is the truth by the anointing that is within you. If not then just put it on the shelf to perhaps look at again at another time.

When you begin to experience spiritual things, you can find it very difficult to try to put into words that which you experience in the spirit. And as always, when spiritual truths began to be expressed, they are normally always extremely opposed by religious people who are trapped in a mindset and not willing to see things different.

I am not interested in just another teaching or a "*Revelation*" but I want the reality of all that I know to be wrought into my experience. For instance I know that I am complete in Him. There is nothing I need to do or can do from my own strength to complete the work in me. However, I do not just want the knowledge of my completeness but I want to walk practically in that knowledge until I am fully and experientially walking in the completeness. I know that I am healed and in perfect health but to just know that intellectually will not help the pain

or heal the body. We must keep reaching into the spiritual realm and bring into manifestation by the spirit that which we know to be the truth. Like Abraham we cannot consider our body as good as dead but we must consider Him faithful who has promised.

We must be prepared at all cost to share the truth of what we know to be the truth as the Lord leads.

One of the things I always caution people about is this: do not be afraid to hear something that sounds contrary to what you believe. The only way that God can progressively bring us into more understanding and revelation is that we must trust Him and know that as we are seeking truth He will lead us and guide us into ALL truth.

God is bringing us into us such an awareness of His voice, and His presence, that we no longer need to fear being deceived. I always share wherever I go 1 John 2:20 "***You have an anointing and you know all things.***"

When we begin to hear spiritual truths, although they may be foreign to our understanding and our thinking, there will be something in us that resonates

to it. Maybe we can't quite understand it and have never seen it that way, but we know it's the truth. That's what the anointing does for you. It bypasses your natural understanding.

John chapter one says, ***"In the beginning was the word, and the word was with God, and the word was God."*** Now that word in the "Strong's" is "*logos*", and it means, "a spoken word". In the beginning was the spoken word. And in the beginning before anything existed in this realm we live in, there was the word. And we must understand that by the word was all things brought into existence and spoken into being.

John 1 verse 3-5, ***"All things were made by Him; (the spoken word) and without Him was not anything made that was made. In Him was life, (and that word life is "Zoë" which is the highest form of life, in Him was God's life), and that life was the light of men. And the light shined in the darkness; and the darkness comprehended it not"*** (that word "comprehended" means "perceived", and it also means that the darkness was not able to overtake the light. So God has shined in the darkness, and the darkness was not able to either extinguish the light or perceive the light.

Col 1:13-16 says, ***"Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son: In whom we have redemption through his blood, even***

the forgiveness of sins: Who is the image of the invisible God, the firstborn of every creature: For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him:

Back in the very beginning before all things God began to speak, and everything He spoke came into being. And everything that exists today in reality came out of the spoken word of God, whether it be principalities, whether it be powers, whether it be dominions, whether it be things in heaven or things on the earth, all things it says were created by Him, and for Him.

God Formed Himself In Man

Most have forgotten their beginning. But in the beginning in Genesis chapter 1:26, ***"God said, Let us make man in our image, after our likeness.*** The word God in this verse is the word in Strong's *OT:430 'elohiym (el-o-heem')*; plural. Who do you think God was talking to when He said "Let us?" I believe this is a key in our understanding of who we are and where we came from. We were there in the beginning. This is what God was saying to get Job to remember when he said to him, ***"Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.*** Job 38:4 ***"When the morning stars sang together, and all the sons of God***

shouted for joy? Job 38:7. We were the sons of God shouting for joy at the creation that was being brought forth.

What God actually did is He imaged Himself in man. In Genesis chapter 2, it says God formed man. The word form is OT 3335 *yatsar* (*yaw-tsar'*); (*through the squeezing into shape*); *to mould into a form; especially as a potter; figuratively, to determine (i.e. form a resolution)*):

We were the Elohim in Genesis chapter one and were formed by squeezing into shape. The Elohim imaged Himself in man by forming himself in a man of the earth. Zechariah 12:1 says, "*The burden of the word of the LORD for Israel, saith the LORD, which stretched forth the heavens, and laid the foundation of the earth, and formed the spirit of man within him.*"

Man is a visible expression of the invisible God. Now that hasn't changed. But what has changed is our perception of ourselves because we have forgotten who we are. In Genesis chapter 2 it says, "***God formed man from the dust of the ground,*** (And then it says) ***He breathed into man the breath of life.***" Well we know that the word "breath" is the same word as "spirit". And literally what Elohim did is, He formed His spirit into that body in Genesis chapter 2. That man was a visible expression of the invisible God. And I assure you that has never changed. What has changed is our perception of what God created us to be in the beginning.

Who Told You, You Were Naked

If you remember in the garden, after Adam and Eve began to live by the knowledge of good and evil, they recognized they were naked. When they partook of the fruit, of the tree of the knowledge of good and evil, it made them lose sight of who they were. And when God came to them, Adam said, "We were naked, and we hid ourselves." And God said one of the most astounding things. He said, "*Who told you, you were naked?*"

What happened was, their perception of who they were had changed, because God said to them, "The day you eat this fruit" you will die. This remains true to this very day. The very moment you begin to live by the knowledge of choosing the good over the evil, the perception of yourself is not real. You die spiritually (lose your perception of your true self.) You do not know who you are and you feel estranged from God so you try to regain a sense of well being by living by the knowledge of good and evil.

And the lies by the serpent to get Eve to eat that fruit was by telling her, "If you eat this, you'll be like God", she should have responded by saying, "But we are like God." You see, they were created as God on this earth, not something distinct and separate from God, but they were created as God over the earth. And that's why God said, "Let them have dominion over everything" because we are the visible expression of the invisible God in a

physical realm. You see; that has never changed.

The Wrong Perception

Now let me tell you what that life, or that spirit was that was breathed into us. The Bible calls it a "seed", because we lost the perception of who we were in God, and we have been lowered into this physical realm by physical birth. We have forgotten who we were, where we came from, and we don't know why we are here. The Bible uses the illustration of a seed to tell us who we really are, because to tell a person in a darkened state of mind, in sin-consciousness, weak, frail, human condition that they are God on the earth would be absolutely impossible for them to fathom. And if they did, they would receive it in their natural minds, become puffed up and prideful. So God uses the word seed.

The scriptures tell us ***"If you are Christ, then you are Abraham's seed, and heirs according to the promise."*** Now where we've missed it, or where religion has missed it, is that they've thought that the seed was only in those who went to an altar, or only in those who've said a certain prayer like, "Jesus, I receive you." But you see; the seed of God is the life and light of God. The seed of God literally is God in this flesh. This is so hard for the religious mind to grasp. Once you have the revelation of being a manifestation of God on this earth, you're whole life as you knew it will end. The very foundations of your existence will end

because you will realize who you are, and at the same time realize that who you thought you were all your life, is but a lie. You have never been alienated from God. In fact Colossians 1:20 says, ***"Having made peace through the blood of His cross, by Him to reconcile all things unto Himself; by Him, I say, whether they be in earth, or in heaven, all things in heaven, and you, that were some times alienated and enemies in your mind..."*** - You see; the only place that Adam and Eve became alienated from God was in their minds. That is what God called, "death". He said, *"The very day you begin to live by this knowledge of good and evil, and choosing the good over the evil, you will die – not physically, but you will die, and your perception of yourself will change.* However we perceive ourselves to be is what we will manifest. That is true in all areas of our existence. If we perceive ourselves as weak, as worms of the dust, as sin laden, as sick and diseased and tormented, *as we perceive ourselves, so we become.*

I realize the impossibility of taking the perception of ourselves today as a human being, and change that into something godly. That whole concept of being a fallen human being must fall at our feet as though it never existed. This is what Jesus meant when He said, "If any man will come after me, let him deny himself." *Wwe have taken this scripture and put people in such bondage with it.* "You can't smoke. You can't drink. You can't do that."

That is not what He meant by denying yourself. Denying yourself is not denying the soul of all of its lust and everything that gratifies the flesh. That is not what He meant, because you see, if you have a strong character and a strong will, you can deny everything, but that doesn't make you godly. He said, "You must deny your self." The very thought that you exist as something apart from Him, the very thought that you are an individual with an individual identity separate and apart from God is what we must deny to become acquainted with our true nature.

To believe that we are a separate being and alienated from God is what must be denied. Whenever God speaks about death, that's the death He's talking about. To be in death is to be alienated in our mind from God. You see; you will never die. No one has ever died. Jesus brought life and incorruptibility to light through the gospel. Your body may fall over and never get up but *you* will not die. The only reason people die physically is because they perceive themselves as something other than what God is.

Don't misunderstand me here. Your body that you have now *will not* live forever. But we do not have to go by the way of the grave. The Apostle Paul says this, "***For we know that if our earthly house(our body) of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens.***

For in this we groan, earnestly desiring to be clothed upon with our house which is from heaven:" 2 Cor 5:1-2 We already have a glorious body. Jesus manifested His glorious body on the Mount of transfiguration. It is God's life in us that will swallow up all death until "In a moment, in the twinkling of an eye, we shall be changed" and our present bodies will be swallowed up by our glorious bodies. Then shall come to pass the saying "O Death where is your sting and grave where is your victory?" Do not get caught up into trying to make this happen. It is every man in His own order. If our bodies do go by way of the grave we will immediately be found in our eternal bodies in the heavens.

The Wrong Perception of Jesus

We even perceive Jesus as something that we can never be. Oh we know we're supposed to be like Him. We know that He was the first born among many brethren. *We know that.* But why we do not experience that? What the Spirit of God is saying today to the churches is that this is the day and the hour that you are to arise from the dust of your human thinking and take your place among the sons of God, because that is who you are. Jesus is not someone who you are not like. Everything He did we can do as the spirit leads. We have perceived Him as a divine Son of God, but we are less.

However the scriptures boldly declare that He is the FIRSTBORN among many brothers and that He is bringing many sons into glory.

We have to go back to the very beginning to see this. "In the beginning was the word. The word was with God and the word was God. All things were made by Him, and without Him was not anything made." And anything that He didn't make does not exist in reality. I'm not saying it doesn't exist in your mind. But you see; we are very powerful human beings. And how we perceive things, and how we believe things, determines what we experience. In Galatians 3:16 it says this: "Now unto Abraham and His seed were the promises made. He saith not, 'and to seeds' as of many, but as of one. And to thy seed, which is Christ." And then He goes on to say in verse 29, "And if you are Christ's, then are you Abraham's seed, and heirs according to the promise." My heart's cry these days is, "Give your people an expression, an impartation, that these things might be imparted unto all your people." If you are Christ's, you are Abraham's seed. Let's go back again to the creation. What God breathed into man was really a spiritual being. The man of Genesis chapter one was breathed into this body that was made from the dust of the ground. And He calls that life "the seed", only because you have lost the knowledge and the revelation of being that one who came from God.

As illustration, God begins in the Old Testament to talk about His seed, and how that through Abraham all of the families of the earth will be blessed. We have had teaching on the seed for years, but today I see it much more clearly than I did a few years ago. I used to think the seed was IN us, but what we actually were was something other than a manifestation or a product of the seed.

What I mean by that is this. Peter says that we have been born again, not of corruptible seed, but of incorruptible seed, by the living and abiding Word of God. The Word of God created you an incorruptible seed. The word created here does not mean to make something from nothing. It means to cut down. Strong's 1254.

Peter says we are *being* born again. I believe it starts with being regenerated. When we're regenerated, we simply become conscious or aware of that life within us that we were dead to until that spark of life was regenerated within us. The gospel of John says that Jesus was the true light that lights *every* man that comes into the world. So every man has that seed, that light of God within him. He just doesn't know it. But listen. Every seed produces after its own kind. An illustration of that would be this: You have a watermelon seed with the meat of the watermelon, which could be called the soul, and you have the rind of the watermelon, which could be called the body; but they came out of the seed. Well remember, we

were born of an incorruptible seed. That incorruptible seed can only produce Christ in our soul and body. But yet in our perception, we have the seed of God, but our soul and our body are something other than, or less than Christ. You know, that's impossible. It's impossible to plant an apple seed in the ground and not have that whole apple be that seed. Literally that apple seed produces an apple and nothing else but an apple. That apple seed becomes the meat and the skin.

There is such a realization, a light, a glory and manifestation of God that is coming to His people to reveal, to unveil, and to remove the covering that's been cast over us. We have believed for too long the lie. We have believed too long according to how *we* perceive things. Now the light and the glory and the manifestation of God is coming to us, to reveal that we are an incorruptible seed. Now listen. How could you corrupt that which is incorruptible? That seed, that incorruptible seed was placed in you at birth. That's where you get your life. Life comes only from God. But we have perceived that seed as being corruptible because of what we've been taught. I often ask the question in these days, Who told you, you were sinners? Who told you that you were born separate and alienated from God? Who told you that? That is what we were told since our birth. We were told that we were born sinners, that we were born alienated and separated from God. The truth is we were alienated and

separated from God *only in our perception*. This is where the enemy was so crafty. The enemy only works according to our perception according to what we have been taught, and according to what we believe. The only thing that the enemy can do is cause you to believe that which he speaks to you. And if you believe it, you perceive it as so; it becomes so but only in your darkened mind. "*As a man thinks in his heart, so is he.*" So we thought for years that we were corrupted, we were sinners, we were alienated from God, not realizing that we have an incorruptible seed within us. And as that seed within us grows, it cannot produce anything that's corruptible.

Now I'm not telling you I'm walking experientially in the fullness of this. I'm only telling you what God has just been speaking to me recently, that we have perceived ourselves as something other than what He created us to be. And so we need light, and revelation. You see, it is impossible to teach these things. The only thing we can do is stir up our remembrance because we do know all these things. We have an anointing. "***You have an anointing, and you know all things.***" 1 John 1:20 - You know all things! How do you perceive that? Immediately when we hear the Word of God, we can fall back into our perception of being a human and say, "I don't know all things", and so you agree with the lie rather than with the truth. Yet the truth is *you do know all things*. And as you require the knowledge of those things, they will

come to you, and you will discover that whatever you need in the way of knowledge, or whatever you need in the way of anything at all, just comes to you. And I believe that's what Jesus meant when He said, ***"If you seek the Kingdom of God first all things shall be added unto you."***

So "if you are Christ's, then are you Abraham's seed, and heirs according to the promise." Well now, just who are Christ's? We can think that it's only a select few that are Christ's. But we have to remember that at Calvary He purchased *all* men, and *all* men belong to Him. All men have within them, the incorruptible, indestructible seed of God. And all they need is someone who has the knowledge of God, and the experience of God to speak to that seed, and to bring it back into light, to bring it into regeneration. That's all we are doing today. We are speaking, not to the natural mind, the natural mind will never understand these things even though you may like the sound, or dislike the sound of what is being said, you will never be able to receive it with the natural mind, because, *"The natural man (Paul says) – the carnal mind cannot receive the things of God, in fact, is an enemy of God."* Well again, we're deceived because we don't realize that our good mind is an enemy of God, because you can perceive yourself being a good person and maybe doing the right things, but that's still an enemy of God because it perceives itself as something other than what God is. You see, in our

experience we may say like I did for years, that "Jesus is in me, and I have the seed of God in me, but my soul and my body are something other than that because I still sin." We've been taught that we are sinners, and our souls are lost, and that's why we're processed, some for ninety years, and they die and they still never experience the fullness of God. I'll tell you what folks; the day of processing has to come to an end. The only way it will come to an end is when we realize that we *are* the incorruptible, indestructible seed. And that seed in us cannot produce corruptibility. What we perceive with our natural mind is nothing but the lie of the enemy. And it is the seed that was planted by the enemy.

Jesus said, "Hear ye (in Matthew 13:18 through 23) the parable of the sower." If you remember He said the seed was the Word of God. And in the parable He said that God has sowed good seed into the ground. Well He did in Genesis chapter 2, He breathed His very own life into this body, and that was the good seed. We have the good seed planted in *our* earth. Our body is the earth where the seed of God has been planted, which assures us that we will reproduce from that seed, everything that God is, not only in spirit, but also in soul and in body. We have believed a lie. We know we're ok spiritually, but we have thought that our souls and our bodies were corrupted. And because we've been taught that and we believe that, we experience all of the diseases and all of the sicknesses. We're just

like mere men when in fact we are not mere men. We *are* and I hope you understand where I come from when I say this. "We are God on this earth." And until you can accept that and you won't until you have a revelation from God, because if you *do* accept it without revelation, you'll become prideful, and you know what happens to pride. We have all seen it, people running around declaring to be God, but it is just ridiculous. That's not what I'm talking about.

God planted a good seed, in Genesis chapter 2, in His field. But, while men slept, the enemy came and sowed the tare. I have shared this before how the tare was simply the idea that you were something other than what God is. The tare is the "seed of the serpent" the human consciousness that was also planted in the same field as the seed of Christ. So when you awoke into this lower realm, not realizing who you were and where you came from, you were immediately taught that you were a human being, that you were born in original sin. Not only your parents, but the whole universe has faith to believe that you are born a sinner, you are alienated from God, and you're separated from God. It is natural for you to be a human with all of the sinful things, and all of the hang-ups and all of the diseases, and everything else. We have accepted the same lie as Adam and Eve did. We have accepted the lie, that we are something other than what God intended for us to be. It is absolutely impossible for that seed in

us to become corrupted. Neither can that seed by growing in you, produce anything other than what God is. Yet we have believed it to be so. The watermelon seed, the meat of the watermelon and the rind, are all the incorruptible seed. There is *no* corruptibility in God whatsoever. Now that's why Paul tells Timothy that through the gospel right now that life and incorruptibility were brought to light through the gospel. You see; we keep trying to hang on to these physical lives by whatever we can do to hang on them, not realizing that we are incorruptible. Yet because we believe we are corruptible, we do everything we can do to keep this physical thing alive. If we really understood incorruptibility, we could not possibly die. If you understand that right today, you have a perfect, magnificent, glorious body in the heavens, not up on a planet somewhere, but just a little bit higher than this consciousness that you presently live out of, you have a home, a house, a building eternal in the heavens. God today is saying, "Don't wait!" We have been waiting all of our lives for that which is within our grasp, but it takes revelation. You see, we have never changed from that which we were created to be, but because of what is called "the fall" we've become alienated in our minds, and we've lived the lie of the enemy, the tare, the human existence, thinking that we're waiting for God to someday come and change us from something vile into something glorious. What we have all been waiting for all of our lives is

within our reach. Behold, the Kingdom of God is at hand. It has *always* been at hand.

This earthly human mentality is called in scriptures, "*the antichrist, and the man of sin*". How many Christians do you know who are waiting for this man of sin to be revealed, that is going to rule the earth? *It is impossible*. There will never be another world ruler known as the antichrist who will come into existence. If you understand Daniel's prophecy, it is Impossible for another world kingdom other than the Kingdom of God filling this earth. Antichrist is only between the ears of a darkened mind and understanding. Antichrist is that image of your self that was planted in "*this field*", this temple of God (that you are) declaring its self to be God, not submitting itself to the scripture and the righteousness of God.

What does Paul say about the antichrist? He says, in 2 Thess 2:8 "***And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:***"

"When *Christ* shall appear *in you*, that antichrist will be destroyed by the breath of His mouth and the brightness of His appearing. **The moment God, by the power of His Spirit begins to appear in *this temple*, the brightness of His coming begins to destroy the concepts you have of being a fallen human being.** When the light of God begins to penetrate the darkness of our

understanding we begin to experience His life rise up within us and what was once a miracle to us becomes so natural. It is so easy to live a holy consecrated life in service to humanity when God's life is activated within our consciousness.

We have accepted the lie all of our lives that we are something less than what God is. How could we be anything less than God if He planted his very own life in this earthen vessel? We have believed all of our lives that we are human and were born with a corrupt nature and sold in sin when the exact opposite is true. (more on this later.)

How could something God planted become corrupted? We were made in His image, with His mind and creative ability, so however we perceive things to be, they will be for us. (*as a man thinks so is he.*) We have perceived ourselves wrong all of our life but that is about to change.

God is bringing us light and revelation through His Word and by His Spirit. The Apostle Paul says how we groan to be clothed with our heavenly body from on high. The way we perceive our body is what must disappear, because this body is a glorious body. All the time we thought that we had to die to get it. Yet if the carnal man we perceive ourselves as dissolves in our consciousness, we will become the manifested sons the world is groaning for.

Who told you, you were a sinner? Paul told the Ephesians, "***For we are members of his body, of his flesh, and of his bones.***" Eph 5:30

You are bone of His bone, and flesh of His flesh." How could your body be sinful? Only if you perceive it to be so. God has never told you, you were a sinner. Man has told you that. God has never told you that! Two thousand years ago, the message of Calvary is: sin came to an end. Two thousand years ago, the world was judged at Calvary. Very few Christians understand Calvary today. The scriptures tell you all about it. "***Behold the Lamb of God that takes away the sin of the world.***" The real sin is your mistaken identity, which is really what causes you to believe its lies. Your mistaken identity perceives itself as something other than what God is.

The scriptures tell us that the iniquity of us all was laid on Him. The scriptures tell us that Jesus paid the penalty for every act of disobedience and every transgression. The scriptures are true and cannot be broken so why do we fear that some day we are still going to be judged for our sin? We count the cross of Christ as none affect whenever we put ourselves under guilt and condemnation. Because Jesus says, the cross says, God, in His Son said, "**Not guilty!**" You see; it's not your fault that you have perceived yourself wrong all of your life, because it's what you've been taught. And what ever you believe will be your experience. And

once we know the truth we can repent (change our mind about who we are,) and we then will begin to perceive ourselves as we are, a son or daughter of God.

Out of the abundance of the heart, the mouth speaks; and all things are created by the word. And you being in His image, your words are the most powerful things in the universe. And so if you perceive yourself to be a certain way, and then you speak like that, it solidifies that perception you have of yourself that is wrong, because whatever you believe in your heart and confess with your mouth will be that which you experience in your daily life. It can be no other way. It doesn't mean it is truth, it means you have accepted a lie that said, "*You are other than what God is.*" There is only one life in the whole universe, only one life. *And that is the life of God.* And that life is "omnipresent" meaning that there is nowhere that God does not exist. That's what Omnipresent means. If there is any place in this whole universe that God doesn't exist, then He's not omnipresent. Yet the religious man will stand behind the pulpit and tell the sinner that God has no part in him, that he's alienated and separated from God, and *surely* God is not in him. If that is so then God is not omnipresent.

We limit God by our perceptions. The light of God, the Spirit of God, the candle of the Lord, is in every man. And man means "*mankind*", not just male but man means mankind in the

Bible. So He was that true light that lights every man that comes into the world.

When you realize that you are God on this earth, and that God has sent you here for a purpose, that is to impart His life in all of creation, you will stop waiting for something to happen. We have a whole generation of people waiting for the manifestation of the sons of God. Yet if we begin to perceive ourselves as we are, instead of how we have thought we were, you will see the greatest manifestation of God ever known to man. It's not something that's going to fall out of the sky. It's not something that God is going to process you into through sickness and disease, and trials and tribulations, although that's all there, we may always be having trials and tribulations, but when we begin to perceive ourselves as God created us to be our experience will drastically change.

Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever. For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: 1Peter 1:23-24

For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not. Rom 7:18

Paul was not talking about the body here; he was talking about this mind that is alienated and an enemy to God. I know that in my natural human understanding, an identity that is separated and alienated from God, in *that* image of myself there is no good thing. There is only the knowledge of good and evil that continually keeps me in this merry-go-round of trying to choose the good over the evil. It always keeps me alienated and separated in my mind from who I really am.

We must stop taking the message of Christianity that we are born sinners and are separated from God. We must learn to listen to what God is speaking to our heart about these things. Do not take the word of men over and against what God is saying to you in your heart. If what I'm saying to you today does not make any sense, does not bare any witness to you, you need to put it on the shelf. But if it does, if you can see what I'm saying today, don't let any man rob you of it, because many will come and say, "*This is a new age doctrine.*" This is that old story about man trying to make himself as God." They will give many reasons why you better not listen to this message because you will be deceived. We know that Paul warned of that. He said, "***In the last days, deceivers will come teaching doctrines of devils, seducing spirits,***" That's where we are in the church today. *We have already been deceived.* We have already been deceived by all the teachings of how we are separated from God, and we're sinners, and we're

under condemnation, and all of that was the lying, seducing things that came into the original church after the apostles passed the scene. Some began to teach people that they were separate from God. How do you think that Paul and Peter, and those men, did what they did? Because Jesus had been with them and taught them the things pertaining to the kingdom. He taught them that they were one with God and if they could believe nothing would be impossible to them.

He taught them they were not people of a human decent. What do you think Jesus meant when He said, "***Call no man your father***"? If I call an earthly man, "father", that means I relate my beginnings with the father who naturally gave me life. Jesus said, "Don't ever call an earthly man, 'Father'". You have one Father, the creator of all things who brought you into existence; that is your Father. You, in that uncreated, indestructible life of God *were* in existence before you became a physical being. That's why we recognize that God is our Father! You know, scriptures call Him, "the Father of spirits". You see, God has nothing to do with your human existence as far as how you perceive yourself with your natural mind and understanding. God has nothing to do with that. God has only one thing on this earth that He is cultivating, He is watering, He is nourishing, and that is his seed in *this* earth (this body temple.) And He stirring us, He regenerating us, He's opening our eyes to see where we

have accepted the lie for two thousand years that we are other than what He is. And thank God today the veils are being removed.
