

THE HEAVENS AND EARTH MARRY

We live in such a powerful time. The tremendous awakening of man's consciousness is expanding at the speed of light. We are beholding the Aquarian Man as he pours Rivers of life giving Holy waters into the mouth of the Receptive Fish.

This fish in the age of Pisces was two fish, one was going along the easy route of the religious mind set, as the other fish heads north, struggling and paving the way for others behind him, moving toward freedom. This heavenly star picture also includes Pegasus (that beautiful flying horse) and Cygnus (the Speedy Swan). These four Star pictures are the Sun Sign of the Age of Aquarius. We are seeing this heavenly man reaching into the earth and embracing the Heart of the Earth Man.

Who is this Earth Man? We see from the scripture that the Aquarian Man is the same as the Tribe of Rueben, Gen. 30th. Chapter. As we study to get a clearer picture of what could befall us in the now, both for good or bad. What do we understand concerning Rueben? Firstly Let me say there are different Orders.

An order of the 12 Ages, 12 Sun Signs, 13 Moon signs (the Lunar Cycle), the 12 Houses, and these are just the tip of the iceberg. The many references 12 in the scripture shows us the great symbol of completion, twelve months, twelve baskets etc. We also have to consider the planets in our own Solar System. In order to

make some sort of proper interpretation we must consider and embrace each of these. In the Spirit of our Heavenly Awakenings All Things Affect. But! But! But! How do they or we affect???

Beloved heavenly awakenings are awesome. But! But! But! Are we putting them in this Earth realm? Are we being birthed Feet First, are we the Shoe Leather Company?

Are we discerning the Body of Christ? If a man does not know he is of the Body how shall he function, what order does this place him in? We are now embracing some of the answers. Living deep within every man is Desire' this may take on many varied forms, we all have certain appetites, wants, yearnings. It is good to examine and understand what all of this means. So we look at the urge, as insistant and emotional as it may feel, We take some time to say, Where did this come from? Who does it benefit? Why do I think or feel this way? We turn it over and over until we know that it answers the Fathers heart. We will grow and live and exist a much higher plane as we move and have our being in Spirit that is Holy.

Indeed Heaven (Spirit) and earth have made a marriage and seed is given. We have sure word of prophesy in the star constellations as this age we are living in declares it clearly. The Man pouring rivers of living water into the fishes mouth.

Let your mind dwell here for a moment and drink in the promise that is standing as a constant reminder for us, THE HEAVENS

*ARE DECLARING THE GLORY OF GOD AND
WE ARE BEHOLDING IT.*

*Some picture this with
fishes mouth open. Don't you just love it? Keep in mind this
picture is the ruler of this age for 2000 years. What a precious
uplifting promise.*

*Who is this many membered fish? Who is this that has learned to
Flow? Do we intend to make our own flow? No these are those
who chose to worship in Spirit and in Truth. Not seeking our own
but the true welfare of another. The Flow of Spirit is sooooo loving,
soothing, healing and submissive desiring wholeness. It is so good for
brethren to dwell together in Unity. How do I know this?
Beloved the flow can be Felt, You can Feel it.*
